Lighting and urban furniture for hotels

Around the world, many hotels are lit and furnished by Neri. Its prestigious products emphasise these luxury destinations. Lamp posts, chandeliers, kiosks and verandas – as well as cast iron tables and handrails – become the distinctive signs of places designed to be unique.

We would like to guide you on a tour around the world through our products and the hotels that they embellish.

Nel mondo sono numerosissimi gli hotels illuminati e arredati da Neri. I suoi prodotti, di grande pregio, enfatizzano questi luoghi raffinati e di valore.

Lampioni, lampadari, chioschi, verande, ma anche tavoli in ghisa e ringhiere, divengono segni distintivi di ambienti progettati per essere unici.

Vi facciamo da guida in un tour in giro per il mondo.
