

**Discover Nebula Urban Furniture:
an innovative and sustainable
collection that enhances the
surrounding environment.**

**A versatile and flexible product
line developed in collaboration
with the architecture firm
Skidmore, Owings & Merrill.**

**Originally designed for lighting,
Nebula has expanded: tables,
benches, planters, litter bins
and bicycle racks come together
in a cohesive and unique design.**

**A collection with an elegant
and functional design that adapts
to any context.**

NEBULA COLLECTION URBAN FURNITURE

A modular range designed to offer multiple functionalities, combining an essential aesthetic with a unique and distinctive character.

Integrated lighting creates a safe and welcoming atmosphere, making public spaces more pleasant and livable.

Nebula urban furniture: essential aesthetics and practical comfort.

The system is designed to offer users a high-level aesthetic experience, combining refinement and comfort to enrich the use of outdoor spaces.

All Neri products can be customized on request.

For more information contact the company.

PRODUCT DESCRIPTION A / B / C

Bench made of painted steel supports. Seat made with 100% ReMade in Italy certified WPC boards®.

COMPONENTS A

Lateral supports 8 mm wide made of S235 steel with powder coating cycles polyester Qualicoat2, prepared for fixing to the ground. The seat is made of a frame in S235 powder-coated steel with 24 slats in WPC certified ReMade in Italy®.

COMPONENTS B

Lateral supports 8 mm wide made of S235 steel with powder coating cycles polyester Qualicoat2, prepared for fixing to the ground. The seat is composed of a powder-coated steel S235 frame with 16 slats and a comfortable table in WPC, certified ReMade in Italy®.

COMPONENTS C

Lateral supports 8 mm wide made of S235 steel with powder coating cycles polyester Qualicoat2, prepared for fixing to the ground. The seat is composed of a powder-coated steel S235 frame with 24 slats and a comfortable table in WPC, certified ReMade in Italy®.

INSTALLATION

Refer to the product installation guide.

NOTE

The wooden boards are already pre-assembled to the frame.

MATERIALS

- Steel S235
- Stainless Steel Aisi 430
- Wood WPC

Refer to the specific descriptions of the paint cycles for the materials that make up the product.

FINISHES

The standard colours are:
 - Neri Grey
 - WPC Wood
 - WPC Neri Grey
 Other colours are available on request.

LED MODULE

Nebula system allows the installation of a LED module.

COLOR TEMPERATURE: 3000K

DRIVER FUNCTIONS: ON-OFF

INSULATION CLASS: CLII – CLI

PRODUCT DESCRIPTION E / D

Bench composed of painted steel supports. The seat is made with 100% recyclable WPC dowels, certified ReMade in Italy®.

COMPONENTS D

Lateral supports 8 mm wide made of S235 steel with powder coating cycles polyester Qualicoat2, prepared for fixing to the ground. The seat is made of a powder-coated S235 steel frame with 8 WPC dowels certified by ReMade in Italy®.

COMPONENTS E

Lateral supports 8 mm wide made of S235 steel with powder coating cycles polyester Qualicoat2, prepared for fixing to the ground. The seat is made of a powder-coated S235 steel frame with 8 WPC dowels certified by ReMade in Italy®.

INSTALLATION

Refer to the product installation guide.

NOTE

The wooden boards are already pre-assembled to the frame.

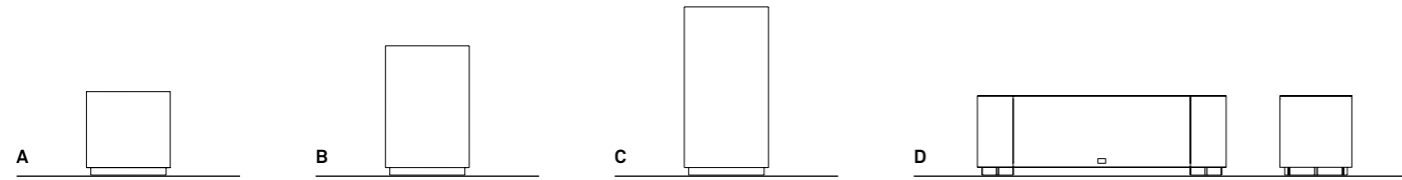

MATERIALS

- Steel S235
- Stainless Steel Aisi 430
- Wood WPC

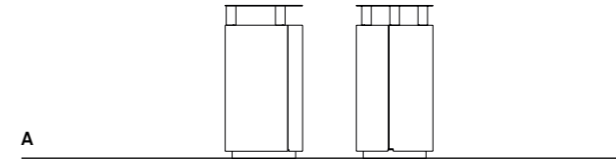

Refer to the specific descriptions of the paint cycles for the materials that make up the product.

FINISHES

The standard colours are:
 - Neri Grey
 - WPC Wood
 - WPC Neri Grey
 Other colours are available on request.
